DANISH DESIGN FOR YOUR HOME, TERRACE AND GARDEN

Le Feu, for a nice atmosphere at any weather

Stylish, safe and a real eyecatcher: Le Feu, the "mobile" fireplace for inside your house and outside on your terrace. Le Feu, of Scandinavian design, burns on environmental friendly bio-ethanol and emits a pleasant warmth. When purchased, the Le Feu is easy to install en ready for immediate use: a flue or exhaust piping is not required with this type of fireplace. This way you can create a cozy ambience and give your home warmth without the need of having a chimney!

Smart Danish design:

Le Feu is movable, modular and safe. Within minutes you can change a model into another one. With six basic models there are over 40 choices possible. This way there is a Le Feu for everybody! For more information B2C: www.lefeufires.pt
