- Candeles dalla perfetta forma sferica che da accese si trasformano in affascinanti lanterne, e candeles torciglione realizzate con antichi stampi, dette "Denise" in memoria di un passato amore.
- Candeles che si addicono ad ogni ambiente, dal più minimalista al più barocco, candeles che regalano emozioni e benessere, grazie alla tremula luce di una fiamma viva.
- Candeles dal packaging raffinato che ne fanno un regalo d'alta gamma sempre gradito.
- Candeles che sono il frutto di un equilibrio prezioso, storia e tradizione ma anche ricerca e innovazione, nella scelta delle materie prime come delle tecnologie produttive.
- Meloria è un marchio di Graziani srl, cereria in Toscana dal 1805.
